P R E F A C E

This report lists all photo intelligence projects in progress at HTAUTOMAT by Army, Navy, and CIA, as of the 25th day of the month. Its purposes are (1) to facilitate inter-agency coordination of photo intelligence projects, and (2) to indicate the status of all organizational and joint projects. It consists of two parts. The first part lists current projects by TALENT listing categories. The second part lists Army, Navy, and CIA requirements separately, in numerical order. An explanation of codes and symbols employed in this report appears on the following page.

Approved For Release 2001/09/01 : CIA-RDP78T04753A000200010032-6

25X1A

- (1) Project, 8 Columns:
1st column shows type project, represented by a letter indicating: A-Army, N-Navy, P-CIA, J-Joint.
Next four columns show project number
Next column: dash
Next two columns: year
- (2) Requirement, 7 Columns:
1st two columns: Letters indicating the requesting office (*See List no. 1 for code of offices).
Next three columns: Requirement number
Next column: dash
Next column: year
- (3) Card Letter, 1 Column:
A letter in this column distinguishes between cards where more than one IBM card is needed for a project.
- (4) Priority, 1 Column:
A number in this column indicates the priority (1 through 4) assigned to the project. This column is not shown in the Joint Status Report.
- (5) Control, 2 Columns:
These two columns are used by PIC/CIA in arranging the various IBM card tabulations.
- (6) Country, 2 Columns:
The new 2 letter country code adopted for the Bombing Encyclopedia is used here (*List no. 2 contains the most frequently used of these country codes).
- (7) Project Description, 26 Columns:
Short description of the project showing place and type of installation under study, if applicable.
- (8) Category, 2 Columns:
The numbers represent the categorical listing of subjects used in TALENT report listings (*See List no. 3 or following page of Joint Status Report).
- (9) Division, 2 Columns:
1st column represents the Division responsible for the project.
2nd column represents the responsible Branch (*See List no. 4 for complete code).
- (10) Analyst's Name, 4 Columns:
Abbreviation of the name of the responsible analyst assigned to the project.
- (11) Date Assigned, 4 Columns:
1st two columns show the day
Next two columns show the month (*See List no. 5 for Month Codes).
The year is not shown since in all cases it will be the same as that indicated in the project number.
- (12) Project Status, 10 Columns:
Status is indicated in two different ways:
An "X" indicates that status reporting for the project is in terms of percentage of completion, with each "X" representing 10 percent of completion.
With some types of projects it is more significant to report status by specific work phase. With these projects an "A" or "1" is used to indicate status of the specific work phase. An "A" indicates that the particular phase has been completed, and an "1" indicates that the phase is incomplete. If the column is blank, the phase has not been assigned. (*See List no. 6 for Work Phase Codes).
- (13) Date Completed, 5 Columns:
1st two columns show the day.
Next two columns show the month.
Next column shows the year.
- (14) Report, 6 Columns:
These columns show the means by which a requirement was answered or the project was completed. If the end product was a report, it will be indicated as follows:
1st three columns show the report numbers.
Next two columns show the report type or other method of completion if no report was written (*See List no. 7 for complete codes).
Next column shows the year the report was issued or the project was otherwise completed.

* COMPLETE LIST AVAILABLE UPON REQUEST.

Approved For Release 2001/09/01 : CIA-RDP78T04753A000200010032-6

PART I

LISTING OF PROJECTS BY CATEGORY

1. AIRFIELDS AND SEAPLANE STATIONS
2. AREA AND COMPLEX STUDIES, GENERAL
3. BIOLOGICAL/CHEMICAL WARFARE
4. COMPREHENSIVE REPORTS
5. ELECTRONIC/ELECTRIC/COMMUNICATIONS
6. INDUSTRY
7. MILITARY AREAS
8. MISSILE SITES
9. NUCLEAR
10. RESEARCH AND DEVELOPMENT FACILITIES
11. SHIPS, SHIPYARDS, PORTS
12. STORAGE SITES AND FACILITIES
13. TRANSPORT AND PIPELINE FACILITIES
